

Coronavirus - Latest Update 16th March 2020.

We appreciate that with regular news stories and updates about COVID-19 coronavirus there are questions that our guests may have.

The health and safety of all our guests and staff is our primary concern and priority. We at Summergrove Halls would therefore like to inform you about the extra health and safety measures we are taking for this situation; this includes but is not limited to:

- Hand sanitisers in public spaces
- Increased disinfection frequency of sanitary facilities, public area surfaces etc.
- Focused disinfection of any shared items including door handles, window handles, room keys, lift buttons, buffet tools etc.
- The removal of daily newspapers
- Additional waste bins for the safe disposal of used tissues etc.
- Back of house areas and staff subject to increased vigilance and hygiene operations

We are of course keeping a watching brief on the ongoing situation and committed to following all current advice. Should this change we will advise our guests as necessary.

We look forward to welcoming you and making sure you have a pleasant and safe stay with us.

Joanne Arthur
Director and General Manager
